Visions of the Earth

### DIY TERRARIUM WORKSHOP

Looking for something fun to do during this weekend? We got you covered! NUS SAVE is organising a Terrarium Workshop right here on campus. Learn how to repurpose used containers and jars into pretty decorative pieces like terrariums with our experienced instructors from Craft Labs. Originally priced at \$25 per person, we are offering a huge discount at only \$13 per person.

In a 1hr 30min session, you will get to:

- ✂ Learn HOW a terrarium works &
- ✂ Make your VERY OWN terrarium in a clean recycled jar

After attending the workshop, you will think twice before disposing of your glass jars as they could potentially become part of your next decorative piece!

**Date** : 18 Feb 2023 (Saturday)  
**Time** : 10 am - 11.30 am  
**Location** : Basil Room @ NUS Shaw Foundation Alumni House  
**Price** : \$13 per pax (UP: \$25)

Sign up at <https://nus.campuslabs.com/engage/submitter/form/start/575920>  
**by 17 February**. Limited slots available!
