

BES Symposium on Futures Sustainability 2023 || 18 Feb

9 February 2023 || TO NUS Community

Sent on behalf of [Bachelor of Environmental Studies \(BES\)](#) Student Committee

The Bachelor of Environmental Studies Student Committee presents

The Symposium on Futures Sustainability 2023 featuring a panel discussion centred on the theme **The Sustainable Blue Economy**.

Amidst growing pressure on the ocean, blue financing and sustainable solutions are key enablers in promoting sustainable usage of ocean resources. The Symposium explores the topic of oceans and finance in relation sustainable marine markets, investments and aquaculture. Hear from panellists from the World Bank, Philip Capital, and Marine Stewards Singapore. Join us to gain valuable insights on the intersection between the marine environment and the finance industry!

Date: 18 February 2023, Saturday

Time: 2.45 pm – 6 pm

(Refreshments provided from 2.45pm - 3.30pm)

Venue: The Ngee Ann Kongsi Auditorium, Level 2 Education Resource Centre, NUS University Town
