

# Youth Ecosperity Dialogue (YED) 2023 || Apply by 7 April, Friday

13 March 2023 || TO NUS Students

Feel strongly about sustainability and climate issues? Be part of the Youth Ecosperity Dialogue (YED) from **4-9 June!** The annual event provides a platform for student environment leaders from Singapore and Asia to discuss key challenges in regional sustainability and prosperity.

This year's theme is **Sources and Sinks: Reimagining Renewables and Waste in Smart Cities**. Besides multidisciplinary discussions, industry visits and hands-on workshops with a sustainability focus, there will be a week-long YED Challenge, where you can collaborate with peers to win attractive prizes!

**Application closes on 7 April 2023**
