

## 2023 Global ESG Forum in Singapore || Register by 26 May

9 May 2023 || TO NUS Community

Sent on behalf of [Centre for Governance and Sustainability \(CGS\)](#), [NUS Business School](#)

The 2023 Global ESG Forum in Singapore brings together the world's leading researchers, scholars and business leaders to talk about ESG, or environmental, social and governance issues.

Look out for special sessions on impact investing and the future of ESG by leading investment management company BlackRock and climate linked credit and risk solutions by business information provider S&P Global. Other important topics include battery metal recycling, renewable energy, sustainable plastic management and biochar.
