

Huawei Tech4City Dialogue III: Shaping our Green Digital Future || 15 June

12 June 2023 || TO NUS Students

Hear from industry experts on how technology can enable energy digitalisation for a green future. ❤️📱

In the last dialogue of the series, which is part of the Huawei Tech4City case competition supported by [NUS Enterprise](#) and [NUS Business School](#), esteemed speakers from World Energy Council, EDP Asia Pacific, and Huawei will share their views on this topic. Advisory Council members will also be present to speak to participants in the competition on what to look out for in a good proposal.

What's more, participants stand to win Huawei Watch GT3 and Huawei Freebuds 5i at the lucky draw!
