

Application for SG Eco Fund is now open || Apply (Main category) by 31 Aug

26 June 2023 || TO NUS Community

Do you have an idea for a project that involves the community in supporting sustainability?

You can tap on the SG Eco Fund for seed funding to grow your initiative! 🌱

Launched by the [Ministry of Sustainability and the Environment](#) in November 2020, the \$50 million SG Eco Fund aims to support ground-up environmental sustainability initiatives in Singapore. Applications for the **Main category** (projects requesting above \$10,000) must be submitted by **31 August**. Meanwhile, applications for the **Sprout category** (projects requesting up to \$10,000) can be submitted **throughout the year**.

Visit www.MSE.gov.sg/sgecofund to find out more.

for a Sustainable Singapore

Musee: Takeaway in a eco-friendly way

What is the SG Eco Fund?

A \$50 million fund that aims to support the co-creation of sustainability initiatives in Singapore.

Approved projects may be funded up to 80% of supported costs, capped at \$1 million.

The fund is open to individuals and Singapore-registered organisations.

What projects qualify?

Your project must involve the community and advance environmental sustainability.

Visit www.MSE.gov.sg/SGEcoFund for the full eligibility criteria.
