

## UNFCCC workshops by 1.5degree || 17, 23 and 31 August

10 August 2023 || TO NUS Students  
Sent on behalf of [1.5degree](#)

To kick-start the new academic year, [1.5degree](#), a newly-minted interest group dedicated to fostering sustainability among students and making sustainability a shared endeavour, will present a three-part workshop series on the United Nations Framework Convention on Climate Change (UNFCCC) and the Paris Agreement hosted by Ms Melissa Low, a former delegate to the convention. Whether you're new to sustainability or a seasoned enthusiast, this workshop series is for you if you're keen to learn more on this topic! 🌍😊

🌱 ✨ Fill up this [form](#) to register! For queries, email [1.5degree.sg@gmail.com](mailto:1.5degree.sg@gmail.com).

The poster features a dark orange background with a pattern of light orange dots. On the left, the text 'UNFCCC WORKSHOPS' is written vertically in large, bold, white letters. Below it, the text 'Open to all NUS students!' is written in a smaller white font. At the top left, the '1.5 DEGREE' logo is displayed, along with the NUS logo and the text 'Centre for Nature-based Climate Solutions Faculty of Science'. The main content is a list of three workshop sessions for August 2023, each with a date, day, time, and description. A QR code is provided for registration, with an arrow pointing to it from the text 'Scan here to register now!'. At the bottom right, there is a photo of Ms Melissa Low, a woman with dark hair, wearing a black top, standing with her arms crossed. To the left of her photo, there is a short biography of her.

**1.5** impact sustainability, sustainable impact. DEGREE

**NUS** National University of Singapore

### 2023 August

**17** THURS An Introduction to UNFCCC  
6.30PM - 8.15PM  
We kick off the workshop series with an introductory workshop by Ms Melissa Low about the UN Framework Convention on Climate Change and the Paris Agreement.

**23** WED The Singapore Context  
6.30PM - 8.15PM  
At our second session, Ms Melissa Low will focus on Singapore's progress towards its Nationally Determined Contributions (NDCs), climate pledges and the UN's Sustainable Development Goals.

**31** THURS Climate Simulation  
6.30PM - 8.15PM  
The final session of the workshop series will be student-led — an exploration of the impact of policies in the real world using the global climate simulator, En-ROADS.
