

Inaugural NUS Sustainability CONNECT 2023 || Festival from 25 Aug to 29 Sep

15 August 2023 || TO NUS Community

The first large-scale sustainability festival by our university, the inaugural **NUS Sustainability CONNECT 2023** seeks to champion sustainability and bring communities together!

The festival showcases a wide and diverse spectrum of NUS' thought leadership and expertise in sustainability, from urban living and green finance, to solar energy research and public perception of risk in climate change.

There's something for everyone!

Visit our [website](#) for more info and to sign up!

The poster features a blue border with decorative orange and green circles. At the top, a light green box contains the event title and dates. Below this is the NUS Sustainability CONNECT logo, which consists of three stylized human figures in blue, green, and orange. A central orange box provides a brief description of the festival. The 'HIGHLIGHTS' section is marked with a grid of orange dots and lists three main events. The 'SYMPOSIUMS, WORKSHOPS & TALKS' section is accompanied by an icon of three speech bubbles and lists various topics. The 'TOURS, WALKS & TREE-PLANTING' section includes an icon of two location pins connected by a dashed line and lists specific activities. The bottom of the poster has an orange background with white text providing a website link.

INAUGURAL
NUS SUSTAINABILITY
CONNECT 2023
25 AUG TO 29 SEP

NUS SUSTAINABILITY
CONNECT

A festival to showcase NUS' initiatives in Research and Innovation, Education, Campus and Thought Leadership, and a platform to learn, interact and collaborate.

Over 15 activities in 5 weeks!
