

Inaugural NUS Cities Symposium: The Science of Cities || 31 Aug - 1 Sep

17 August 2023 || TO NUS Community
Sent on behalf of [NUS Cities](#)

In support of the inaugural [NUS Sustainability CONNECT](#), NUS Cities is launching its first Symposium! The two-day hybrid event, themed The Science of Cities, will see about 40 seasoned and up-and-coming researchers and practitioners engaging in 12 panel discussions on topics from sustainability, biodiversity, conservation, community resilience, circular economy to decarbonisation and social inclusivity.

Register for the event [here](#).

For enquiries, email wisely@nus.edu.sg or mav.tay@nus.edu.sg.

Join us at the NUS Cities Symposium as top minds from academia, research, government, and industry connect and share their ideas and science-based approaches towards more sustainable and liveable cities!

With an inspiring lineup of speakers and students, come and meet with young minds and talents to exchange ideas and connect over a broad spectrum of exciting topics, including affordability and inclusivity, climate resilience and technology in sustainability.

SIGN UP NOW!

Registration closes on 23 Aug 2023
