There are as many as 8 events happening in the last week of NUS Sustainability CONNECT!
This is your last chance to sign up! Details on our [website](#). 🌱 🍃

INAUGURAL

NUS SUSTAINABILITY CONNECT 2023

25 AUG TO 29 SEP

**Update #4:
Catch 8 events in our final week!**

3 events next Mon (25 Sep): Take your pick!

Sustainable Maritime Operations Seminar

9AM-1PM

Sustainable Maritime Operations Seminar
Enhancing Efficiency and Environmental Performance

With the theme, Enhancing Efficiency and Environmental Performance, the seminar by Centre for Maritime Studies (CMS) brings together our researchers, industry partners and regulators to discuss research and technology solutions to address challenges for sustainable maritime operations.

SFA-NUS Science Day

11AM-6PM **HIGHLY RECOMMENDED FOR IHL STUDENTS**

The event aims to foster research collaborations between Singapore Food Agency (SFA), National Environment Agency (NEA), Public Utilities Board (PUB) and local Institutes of Higher Learning (IHLs). Explore innovations in food, water and environmental sustainability, as well as career opportunities in the various agencies!

SFA-NUS Science Day 2023
Innovations in Food, Water and Environmental Sustainability

Climate Change and Health Panel Discussion

3-430PM

**CLIMATE CHANGE AND HEALTH:
PANEL DISCUSSION ON IMPACTS, ADAPTATION AND
MITIGATION WITHIN THE HEALTH SECTOR**

Find out what are the impacts of climate change on health, and how the health sector can contribute to mitigating climate change by reducing emissions at this panel organised by Saw Swee Hock School of Public Health and Centre for Sustainable Medicine, Yong Loo Lin School of Medicine.

Don't miss the final 2 events!

Policy Design Capacity Building for Sustainable Transitions Panel Discussion

28 SEP (THU), 2-4PM

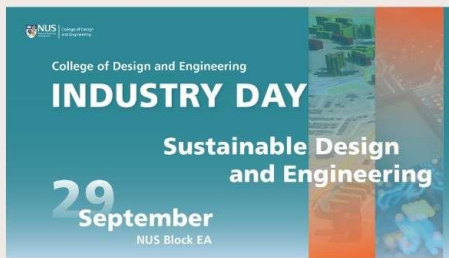

The panel by the Institute for Environment and Sustainability (IES) explores policy design capacity building and how its Climate Policy Design Lab can help promote sustainability transitions in energy policy in Singapore.

CDE Industry Day: Sustainable Design and Engineering

29 SEP (FRI), 9AM-5PM

Join experts from industry and academia as they discuss sustainable solutions for critical issues facing our planet in this event by the NUS College of Design and Engineering. Look out for keynote speeches by industry leaders, panel discussions on industry trends and opportunities to engage with industry partners, researchers and start-ups!

Take note: All events except one are sold out this weekend!

[NUS Edition] Keeping Up with Climate Policy Workshop 3

24 SEP (SUN), 10AM-1PM

Grab your final chance to catch the NUS edition of the Singapore Youth for Climate Action (SYCA)'s trademark Keeping up with Climate Policy workshop, brought to you by NUS SAVE (Students' Association for Visions of the Earth) and SYCA. In the last of 3 workshops, you learn about key stakeholders in climate policy.

SOLD OUT

Habitat Enhancement with NUS Toddycats

23 SEP (SAT), 8-10AM

NUS Toddycats conducts a 2-hour habitat enhancement session at Kranji Coastal Nature Park which includes tree-planting and delivering tender loving care to newly-planted saplings.

SOLD OUT

Green Hackathon: The Eco Scavenger Hunt

23 SEP (SAT), 1230-4PM **OPEN TO IHL STUDENTS**

A unique blend of an amazing race and a dynamic mini hackathon by NUS Enterprise, where you get to visit NUS' sustainability landmarks while tackling exciting challenges and crafting entrepreneurial eco-solutions!
