

# Hydrogen Innovation Challenge by Centre for Hydrogen Innovations (CHI) || 11 Mar - 19 Apr

4 March 2024 || TO NUS Students

Sent on behalf of [NUS Centre for Hydrogen Innovations \(CHI\)](#)

Calling all undergrads!

The NUS Centre for Hydrogen Innovations (CHI) is inviting you to join the **Hydrogen Innovation Challenge** to discover how hydrogen can help Singapore achieve a carbon-neutral energy economy by 2050. The challenge kicks off with an Instagram video competition, followed by an on-stage quiz.

Gather your team of 2 to 4 now and submit your videos **between 11 Mar and 5 Apr 2024**.

You stand a chance to win up to S\$3,000 cash!

Register [HERE](#) and click [HERE](#) for more details.  
Email [hydrogen.challenge@gmail.com](mailto:hydrogen.challenge@gmail.com) for queries.

The poster is a vertical rectangular graphic with a dark blue background. At the top left is the NUS logo and the text 'Centre for Hydrogen Innovations (CHI)'. The main title 'HYDROGEN INNOVATION CHALLENGE' is in large white letters, with the dates '11 Mar - 19 Apr' below it. A pink and purple badge on the right says 'Total prize \$6500'. The poster is divided into sections: 'HOW IT WORKS' with 'ROUND 1. SYNTHESIS' (11 Mar - 13 Apr) and 'ROUND 2. IGNITION' (19 Apr). 'ROUND 1' includes an image of a microscope and text about an Instagram video competition. 'ROUND 2' includes an image of question marks and text about an on-stage quiz. The 'WHO CAN JOIN?' section states that current undergraduates at any tertiary education institute in Singapore can participate. The 'MILESTONES' section lists: Video submission (11 Mar - 5 Apr), Online voting and judging (7 - 13 Apr), Round 2 finalists announcement (14 Apr), and Round 2 (19 Apr). The 'HOW TO REGISTER?' section says to fill in a registration form and submit a video before 5 Apr, with a QR code. The 'CONTACT US' section lists Instagram (@chi\_at\_nus), email (hydrogen.challenge@gmail.com), and a website (hydrogen.nus.edu.sg/hydrogen-innovation-challenge/). At the bottom, there is a QR code and a note: 'Click here or scan this QR code for more information.' and a small disclaimer: '1 CHI reserves the right to freely reuse the submitted videos for non-commercial purposes. 2 By registering, you agree to follow our Terms & Conditions.'

# HYDROGEN INNOVATION CHALLENGE

11 Mar - 19 Apr

Total prize  
**\$6500**

The Centre for Hydrogen Innovations (CHI) invites you to join the Hydrogen Innovation Challenge, where together we will explore how hydrogen can help Singapore achieve a carbon-neutral energy economy by 2050.

## HOW IT WORKS

### ROUND 1. SYNTHESIS

11 Mar - 13 Apr

Online video (1-3 min) competition on Instagram with the topic "Hydrogen for Singapore in 2050".  
Top 6 teams from public voting & panel judging will advance to Round 2.

### ROUND 2. IGNITION

19 Apr

On-stage quiz featuring multiple-choice questions related to hydrogen technologies, economy, and policy. The top 3 teams will receive a cash prize!  
Audience members can participate in a Kahoot version of the quiz & get rewards!

## WHO CAN JOIN?

Current undergraduates at any tertiary education institute in Singapore can participate in the challenge. Students form teams of 2-4 in any combination of university/department/degree.

## MILESTONES

- Video submission: 11 Mar - 5 Apr
- Online voting and judging: 7 - 13 Apr
- Round 2 finalists announcement: 14 Apr
- Round 2: 19 Apr

## HOW TO REGISTER?

Fill in [this registration form](#) & submit your video before 5 Apr.<sup>2</sup>
