

## Clothes & Linen Reuse Drive || till 15 May 2024

3 May 2024 || TO NUS Community

Sent on behalf of [NUS Zero Waste Taskforce](#)

Do you have any unwanted textile to donate for reuse?  
At last year's Reuse Drive, we collected over 3,450 kg of textiles, diverting them from incineration and Semakau Landfill, and giving them a second life.

Every one of us can play a part in getting to NUS Zero Waste 2030.  
Find out more about the Textile Reuse Drive in the poster below, and/or share your ideas for reuse through [zerowaste@nus.edu.sg](mailto:zerowaste@nus.edu.sg).
