Want to play your part to speed up forest recovery in our nature parks?

Join a series of tree-planting sessions 🌱 🌳 🛠️ at Chestnut, Thomson, and Dairy Farm Nature Parks from Jun to Aug 2024!

The sessions by RVRC FoRestore, a forest restoration interest group at Ridge View Residential College, are part of an experiment to improve planting strategies and accelerate forest recovery at buffer parks.

Come join the sessions to learn more about the experiment and how you can help out!

There will be 6 tree-planting sessions **from 8.30am** onwards:

**22 Jun (Sat):** Dairy Farm Quarry (beginner-friendly)

**4 Jul (Thu):** Thomson Nature Park

**11 Jul (Thu):** Thomson Nature Park (steep descent)

**20 Jul (Sat):** Chestnut Nature Park

**3 Aug (Sat):** Thomson Nature Park (rough terrain)

**17 Aug (Sat):** Chestnut Nature Park

The sessions are open to the public and suitable for those aged **15 year old and above**.
