Youth Corps Leaders Programme National Environment Agency (NEA) Youth For Environmental Sustainability (YES) Edition

About the Programme

NEA's Youth for Environmental Sustainability (YES) edition of the Youth Corps Leaders Programme provides a structured programme for aspiring youths between 17 to 25 years old to build environmental knowledge, skillsets and experience. Aspiring Youth Leaders will be tasked to initiate and lead projects to tackle pressing environmental issues in the community, and contribute towards creating a more Sustainable Singapore. They will be given the opportunities to:

- Lead bold changes in the community
- Connect with like-minded people
- Grow community leadership knowledge and skills
- Deepen insight to national issues and challenges

Participants will be trained and mentored by Youth Corps Singapore and NEA to implement a sustainable service-learning project tackling pressing environmental needs in Singapore's community.
