

NUS Sustainability CONNECT Festival (Highlight edition) returns from 14 -21 September 2024!

22 Aug 2024 || TO NUS Community

NUS Sustainability CONNECT festival returns this year with a compact Highlight edition, featuring close to 30 events in the span of a week!

From panel discussions and symposiums, to tours and workshops, on topics ranging from carbon transitions and liveable cities, to sustainability education and nature journaling, we have something for everyone!

Visit our [webpage](#) for more details! 🌍

NUS Sustainability
CONNECT HIGHLIGHT 2024
14 – 21 September

RETHINK SUSTAINABILITY: INNOVATION AND IMPACT
A week-long festival to celebrate NUS' sustainability efforts, featuring close to 30 events!

TOP PICKS

INAUGURAL NUS ENVIRONMENTAL MANAGEMENT LEADERSHIP LECTURE (EMLL)

Transformative Leadership in Climate Action: Navigating Challenges, Harnessing Innovation

The inaugural lecture organised under the NUS MSc (Environmental Management) programme will be delivered by Mr Ravi Menon, Singapore's first Ambassador for Climate Action and a member of NUS Board of Trustees. The lecture will be followed by a Q and A session.

14 Sep (Sat) 2pm – 4pm

A DEEP DIVE INTO NATURE FOR CLIMATE PANEL DISCUSSION

Article 6 Explainer and Blue Carbon Project Development in Asia-Pacific

Featuring panelists from NUS Centre for Nature-based Climate Solutions, National Climate Change Secretariat Singapore, IETA Singapore, IPCC Working Group II, The Nature Conservancy Asia Pacific, International Blue Carbon Institute, and a keynote address by Chief Scientist Katharine Hayhoe from The Nature Conservancy.

16 Sep (Mon) 2.30pm – 5.30pm

NUS CITIES SYMPOSIUM

Liveable Cities in Uncertain Times

How can cities be liveable even in the face of change and uncertainty such as rapid ageing and the threat of disease X? Get your answers at this symposium by NUS Cities, with Minister for National Development Desmond Lee as the Guest of Honour and esteemed speakers from the public sector, think tanks and renowned universities.

18 Sep (Wed) 9am – 5pm

DON'T MISS

EXCLUSIVE TOURS of
Solar energy research and agrovoltaics facilities
Plants near UHall

EXCITING PANELS on

- Accelerating low carbon transition
- Climate and health
- Green building valuation
- Reducing carbon emissions
- Sustainable business transformation
- Sustainability education

ENGAGING WORKSHOPS on
Nature journaling
Biophilic design on campus
