

More exciting panels in NUS Sustainability CONNECT Festival (Highlight Edition) || 14 -21 Sep 2024
2 Sep 2024 || TO NUS Community

Taking the spotlight in this year's **NUS Sustainability CONNECT Highlight** festival are talks and panels on important topics which demonstrate **the depth and breadth of NUS' expertise in sustainability**, from carbon capture to climate and health. Also lending its weight to the festival with **as many as 4 events** – illustrating its deep-seated commitment to sustainability education - is Ridge View Residential College (RVRC), which turns 10 this year. So, hurry and book your seat now by heading over to our [webpage!](#) 🏃 🏃

**NUS Sustainability
CONNECT HIGHLIGHT 2024**

14 – 21 September

Rethink Sustainability
Innovation and Impact

A week-long festival to celebrate NUS' sustainability efforts, featuring more than 30 events!

TALKS **PANELS**

Innovative Environmental Solutions
for Accelerating Low Carbon Transition

TUE 17 Sep

Learn about cutting-edge solutions towards low carbon transition, eg. **carbon capture and transforming waste to resources**, at this symposium by NUS Environmental Research Institute.
