Join the Centre for Nature-based Climate Solutions (CNCS) and Asia-Pacific Centre for Environmental Law (APCEL) for a post-mortem of the UN biodiversity and climate talks last year!

CNCS' The Road Forward event reflects on the 2024 UN Biodiversity and Climate Conferences and looks ahead to COP30 in Brazil with 2 panel discussions. Don't miss the opportunity to hear from Singapore's Chief Negotiator for Climate Change, Mr Joseph Teo, who will give the keynote address.

Meanwhile, **APCEL COP29 Insights Exchange** roundtable brings together leading climate change and environmental law scholars to discuss the outcomes of COP29 and the challenges ahead.

 **Wed, 5 Feb 2025, 10am – 1pm**

APCEL INSIGHTS EXCHANGE

COP29 INSIGHTS EXCHANGE

COP29 – the 2024 United Nations Climate Change Conference in Baku, Azerbaijan – marked a critical moment in advancing global climate action. COP29 focused on scaling up climate finance through the New Collective Quantified Goal (NCQG), updating NDCs, and bridging implementation gaps to keep the 1.5 °C target within reach. Did COP29 meet these ambitious goals? The APCEL COP29 Insights Exchange brings together leading climate change and environmental law scholars to discuss these outcomes and challenges ahead, with a focus on developing-country perspectives. Join us to get valuable insights into the progress made and challenges ahead.
