

**Virtual info session on world's first Master of Science in Sustainable Healthcare || 22 Jan**

9 Jan 2025 || TO NUS Community

Sent on behalf of NUS Centre for Sustainable Medicine (CoSM)

Ready to take your career to new heights this 2025?

NUS has launched the world's first Master of Science in Sustainable Healthcare to equip future leaders with the relevant skillsets to reduce the carbon footprint of the sector and stay ahead in times of climate change.

Join us for the virtual info session to learn more about the opportunities to upskill, expand your career prospects, and lead in one of the most rapidly advancing fields.

📅 Wed, 22 Jan 2025, 6pm

📍 Zoom link will be provided to registrants
