

## Sign up for a Hands-on Plastic Recycling Workshop with Plastify || 25 Feb

20 Feb 2025 || TO NUS Students

Sent on behalf of [1.5degreeNUS](#) and [Environmental Science & Engineering Students' Club \(ESESC\)](#)

Keen to find out more about the industrial processes behind plastic recycling? Then sign up for this hands-on recycling workshop with Plastify, which recycles plastic waste into reusable goods. Among other things, you will learn to identify and sort 7 types of plastics and dive into the complexities of waste management systems!

Register via this [link](#). Limited slots available!

For queries, email [NUS1.5degree@outlook.com](mailto:NUS1.5degree@outlook.com).

### HANDS-ON RECYCLING WORKSHOP WITH **PLASTIFY**

Curious about how plastic waste is transformed into new, useful materials? Explore the industrial processes behind plastic recycling!

#### ABOUT PLASTIFY

*Plastify recycles upcycles post-consumer plastic waste into reusable goods, such as plastic tables. In addition to reducing the amount of plastic sent for incineration, their work also reduces consumer purchases made from virgin material.*
