

Take part in a community tabletop drought challenge for World Water Day 2025 || 26 Mar

10 Mar 2025 || TO NUS Community

Sent on behalf of NUS SAVE (Students' Association for Visions of the Earth)

Step into the shoes of a Resident Assistant in our university hostel and face a drought scenario in an interactive Tabletop Drought Challenge! 🌱  
Work with a team to make critical decisions, allocate limited resources, and ensure students' needs are met—all while keeping sustainability in mind.

The poster features a light blue background with green and blue wavy borders at the top and bottom. In the center is a large, smiling blue water droplet with smaller droplets splashing around it. The text is in various shades of blue and green. A QR code is located on the left side, and the NUS SAVE logo is in the top right corner.
