

Join the 2026 Young Future Energy Leaders (YFEL) Program || 31 Oct
22 August 2025 || TO NUS Students

Keen to take on leadership roles in energy and sustainability?

Then sign up for the 2026 Young Future Energy Leaders (YFEL) Program!
The outreach initiative by Khalifa University in the UAE provides opportunities for Bachelor's and Master's students to take part in international forums, conferences or innovation events, to enhance their exposure to global trends and thought leadership in clean energy, space, AI and climate action.
