### COMING UP

#### NUS Cities Symposium 2025

by NUS Cities

Hear from around 20 local and international speakers on how urban science can help cities become more liveable, sustainable, and resilient. Featuring Guest of Honour, Health Minister Ong Ye Kung.

**Date:** 3 Sep (Wed)  
**Time:** 9am-5pm

#### Sustainable Business in Biofuels

by Sustainable and Green Finance Institute

Join the launch of Sustainable and Green Finance Institute's whitepaper on biofuel, and stay for a panel discussion, where industry experts will share firsthand experiences in biofuel businesses.

**Date:** 10 Sep (Wed)  
**Time:** 1.30pm-3pm

### NEWLY ADDED

#### Why Are We On The Hydrogen Rollercoaster

by Energy Studies Institute

Find out what role hydrogen can play in our climate- and energy-related problems in this seminar featuring hydrogen expert David Hart.

**Date:** 11 Sep (Thu)  
**Time:** 11am-12pm

#### Climate and Sustainability Leadership Discussion Forum

by NUS Climate Analytics and Technology Club

Discuss climate resilience and other sustainability topics with the Climate Analytics and Technology Club student group.

**Date:** 16 Sep (Tue)  
**Time:** 10am-12pm

#### Sustainability's Next Chapter is Well-being

by NUS Centre for Governance and Sustainability

In this masterclass, Prof Lawrence Loh explores how sustainability and well-being are interconnected and introduces a new framework.

**Date:** 23 Sep (Tue)  
**Time:** 10am-11am
