28 Oct 2025 || TO NUS Community  
Sent on behalf of International Alliance of Research Universities (IARU)

The International Alliance of Research Universities (IARU) invites you to submit your most creative photos capturing campus biodiversity – from tiny insects and vibrant flowers to majestic trees and rare animals.

Its goal is to create a global gallery that showcases how biodiversity is experienced and observed across university campuses around the world. Top entries will be featured internationally across the IARU network of 11 universities.
