

**Call for NUS Booth Design @Singapore International Water Week (SIWW) 2026 ||  
Apply by 31 Dec 2025  
18 Nov 2025 || TO NUS Students**

Design a sustainable, cost-effective booth at the Singapore International Water Week (SIWW) 2026 that spotlights NUS research, innovation and partnerships in environmental sustainability!

Review the requirements specification [PDF here](#) and submit your design [here](#)!  
For inspiration, explore previous works at [NUS @ SIWW2024](#) and learn more about the upcoming [SIWW2026](#) [🔗](#)

For queries, email Nurhafizah Zakaria from NUS Environmental Research Institute (NERI) at [erinurz@nus.edu.sg](mailto:erinurz@nus.edu.sg).

A promotional poster for the NUS Booth Design Competition for SIWW2026. The background is a blue and orange geometric pattern. The title 'NUS BOOTH FOR SIWW2026' is in large, bold, yellow letters with a black outline. Below it, 'Design competition' is in white. A 'PRIZES' section shows three award levels: 1st place with SGD3,000, 2nd place with SGD1,500, and 3rd place with SGD500. The submission deadline is 31st Dec 2025. A call to action on the right asks for booth designs to showcase NUS research and sustainability. A link for more information is at the bottom.

***NUS BOOTH FOR SIWW2026***
