

**Ready to go green this Feb? Join sustainability career talks or visit an incineration plant! | | 6, 11, 24 Feb**

**28 Jan 2026 | | TO NUS Students**

Exploring a career in sustainability?

Get firsthand insights from industry professionals at two upcoming events – then cap it off with an exclusive incineration plant tour!

📌 **Human Library on sustainability careers (by NUS SAVE)**

Speakers include Man Jing Kong (Just Keep Thinking), Kathy Xu (The Dorsal Effect), Tsubasa Bolt (Surbana Jurong) and Jason Cheng (National Environment Agency).

📌 **Careers in Sustainability Panel Discussion (by Student Energy NUS)**

Featuring Mr Darren Pok (RystadEnergy), Emily Tan (EY), Davis Roy (Schneider Electric) and Gabriella Angelina (Energy Market Authority).

📌 **Journey to Tuas South Incineration Plant (by NUS ESESC)**

Go behind the scenes to look at the waste discharge process, the Waste Crane and Centre Control Room.
