

Stand a chance to win up to \$10k at the CDL-GCNS Young SDG Leaders Award 2026 || 9 March

27 Feb 2026 || TO NUS Students

Want to tackle real sustainability challenges faced by companies – and build a standout portfolio while you are at it?

The 16th CDL-GCNS Young SDG Leaders Award, a national business case competition, is now open for registration!

Organised by City Developments Limited (CDL) and UN Global Compact Network Singapore (GCNS), the competition challenges youths to apply the **UN Sustainable Development Goals (SDGs)** to real-world corporate issues and propose practical, well-researched solutions.

Beyond the attractive prizes (**\$10,000 for the champion team**), students gain rare exposure to how companies balance doing good and doing well, while developing critical thinking, research and presentation skills grounded in real corporate challenges. Over the years, the Award has engaged more than 4,300 youths – many of whom have gone on to intern and even work with the very companies they studied.

Who can participate:

Students aged **17–25** from JCs, IP schools, ITEs, polytechnics, universities and international schools in Singapore (Singaporeans, PRs and student pass holders, in teams of **3–5**).

Register [here](#) by **9 March (Mon) 2026**

The poster features a green background with a sun, clouds, and a central illustration of a globe with a thermometer. It includes a title, a tagline, and four key information boxes: 'HOW TO JOIN', 'PRIZES', 'REGISTER', and 'COMPETITION BRIEFING'. Logos for CDL, GCNS, and the Sustainable Development Goals are at the bottom.
