

Join the 2026 Environmental & Sustainability Engineering Symposium || 8 Apr

24 Mar 2026 || TO NUS Community

Sent on behalf of Centre for Water Research (CWR) at the Department of Civil and Environmental Engineering

Join the 🌱 2026 Environmental & Sustainability Engineering Symposium 🌱 – where final year students in Bachelor of Engineering (Environmental and Sustainability Engineering) showcase their capstone work and ideas for a more sustainable future.

Meet and network with NUS faculty, students, alumni, and professionals from industry, research, government and the wider sustainability community. The symposium will also feature Ms Isabella Huang-Loh, chairman of the Singapore Environment Council as the guest of honour and other industry leaders.

📅 **8 Apr (Wed)**

🕒 **2 - 6 pm**

📍 **Engineering Auditorium, 9 Engineering Dr 1, S117575**

🔗 **Register [here!](#)**
