

Tour an oil-and-chemical waste management plant with ESESC student group || 13 May

25 March 2026 || TO NUS Students

By [NUS Environmental Science and Engineering Student Club \(ESESC\)](#)

Do you ever wonder where our oily sludge, contaminated liquids or industrial waste goes?

Come join ESESC student club for a site visit to NSL OilChem Waste Management company to learn how industrial chemical and hazardous waste are collected, treated and processed! 🏭

📅 **13 May (Wed)**

🕒 **9.30 am – 1 pm**

📍 **Meet at NUS CDE EA Foyer (2-way transport provided)**
Register [here](#) or scan the QR code by 12 April

Contact Huzaifah @huzaiifah or Vera @verxteo on Telegram for any queries.
Check out ESESC's [IG](#) for more info.

WE'RE GOING TO..
NSL OILCHEM WASTE MANAGEMENT PLANT

CALLING ALL NUS STUDENTS!
Ever wondered what really happens to Singapore's industrial chemicals and other hazardous waste once they leave our city's factories?
Join us to uncover behind the scenes of hazardous waste management!
