

## Embark on a 3-Day Sustainability Learning Journey! || 27-29 July, 23-25 Sep

27 March 2026 || TO NUS Students

Sent on behalf of NUS Sustainability Academy

Calling all NUS students 🌱

Ready to explore what a career in sustainability looks like?

Join the 3-day Sustainability Learning Journey by NUS Sustainability Academy!

You will get:

- 💡 **A clearer idea of green jobs** – what they are and how to get into them
- 💡 **Hands-on learning** – including visits to places to see sustainability work in real life
- 💡 **Chances to meet people in the field** – from sustainability professionals to companies
- 💡 **Experience working with others** – including peers from ITE and different backgrounds
- 💡 **A personalised action plan** – leave with clear steps to kickstart your sustainability career

There will be two runs focusing on different themes.

Run **1** (27-29 July) on 🌿 **Renewable Energy & Urban Sustainability**

Run **2** (23-25 Sep) on 🌿 **Biodiversity Conservation**

🔗 Register [here](#) by 19 April

No fees needed. Open to all NUS undergraduates.

For queries, email [sustainabilityacademy@nus.edu.sg](mailto:sustainabilityacademy@nus.edu.sg)

**CALLING NUS STUDENTS**

**SIGN UP TO JOIN OUR 3-DAY Sustainability Learning Journeys**

Learn from practitioners and companies about job opportunities in sustainability and how to prepare to join relevant sectors.

**What you will be doing:**

- Understand typical green job roles and the academic/ career pathways to prepare for them.
- Co-facilitate conversations and exchange experiences with fellow students interested in sustainability.
- Experience real-world sustainability initiatives through site visits and workshops from academia and industry.
- Network with companies and professionals and explore potential job and internship opportunities.
- Develop an action plan in terms of academic programmes and internship experiences you would seek to prepare for work in the respective sectors.

**PROGRAMME THEMES & DATES**

**Run 1: Renewable Energy & Urban Sustainability**  
27-29 Jul 2026

**Run 2: Biodiversity Conservation**  
23-25 Sep 2026

**Register by 19 Apr 2026**
