

## Join 1.5degreeNUS student group for two sustainability events this month! || 18, 25 March

6 March 2026 || TO NUS Students

Student group 1.5degree NUS is organising not one, but two events this month! ✨

- **Climate Modelling x Political Ecology Workshop:** How do governments use climate models to plan for sea-level rise and extreme weather? Join this interactive workshop to find out how climate modelling and political ecology can be integrated to design more holistic, inclusive climate solutions in Southeast Asia.
- **JTC Punggol Digital District Field Trip:** Want a glimpse of the future city? Visit Punggol Digital District – Singapore’s first ‘smart district’ – and explore sustainability design features like district cooling, solar panels and smart grid integration. Plus, hear from JTC HR on career opportunities in this innovative ecosystem.

Details below! 📌

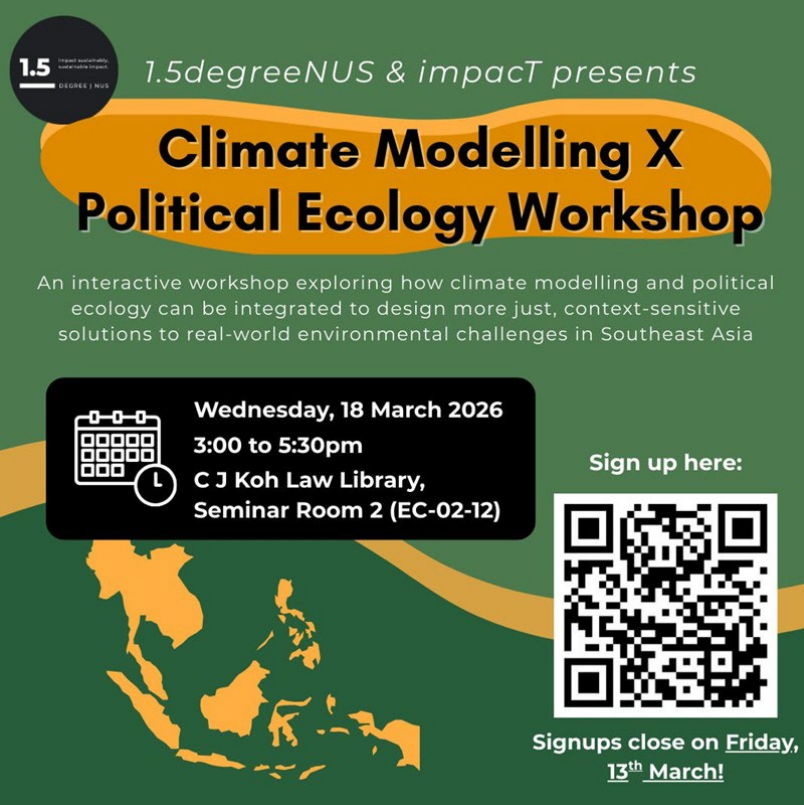

### Climate Modelling x Political Ecology workshop

📅 18 March (Wed)

🕒 3 – 5.30 pm

📍 CJ Koh Law Library  
Seminar Room 2 (EC-02-12)

Register [here](#) by 13 March (limited to 25 slots)

The poster features a green background with a stylized orange map of Southeast Asia at the bottom. At the top left is the 1.5 degree NUS logo. The main title 'Climate Modelling X Political Ecology Workshop' is in large white and orange text. Below it is a descriptive sentence. A black box contains the date, time, and location. A QR code is on the right, and a final note about signups closing is at the bottom right.

1.5 DEGREE NUS *1.5degreeNUS & impactT presents*

## Climate Modelling X Political Ecology Workshop

An interactive workshop exploring how climate modelling and political ecology can be integrated to design more just, context-sensitive solutions to real-world environmental challenges in Southeast Asia

📅 Wednesday, 18 March 2026  
🕒 3:00 to 5:30pm  
📍 C J Koh Law Library, Seminar Room 2 (EC-02-12)

Sign up here:

Signups close on Friday, 13<sup>th</sup> March!

## JTC Punggol Digital District Field Trip

 25 March (Wed)

 4 – 6 pm

 Within NUS (exact pick-up point to be confirmed) Follow [1.5degreeNUS telegram chat](#) for updates

Register [here](#) by 13 March (limited to 40 slots)

**JTC PUNGGOL**  
**DIGITAL DISTRICT FIELDTRIP**

Curious about estate planning  
and green infrastructure?

Join 1.5DegreeNUS and JTC in  
exploring the sustainability design  
features of Punggol Digital District,  
from solar panels to smart grid  
integration.
