

## [Only 40 Slots] NUS SAVE fireside chat: Hear from leading voices on the future of energy || 25 May

11 May 2026 || TO NUS Community  
Sent on behalf of NUS SAVE

Ready to talk carbon, energy, and the future of our communities?

Student group NUS SAVE invites you to an intimate fireside chat featuring top industry professionals at the forefront of Singapore's energy transition.  
Hear from: Mr Low Xin Wei, CEO of Singapore Nuclear Research and Safety Institute, Ms Valerie Lee, Head of Sustainability at Sembcorp Industries and Ms Juliana Chow, Director of Corporate Communications at Energy Market Authority.  
If you've ever wanted to understand the "how" behind Singapore's sustainability goals, this is one conversation you won't want to miss.

 Fireside Chat: Sustaining the Future: Carbon, Energy, and Communities in Transition

 25 May 2026, Monday

 4pm – 6pm

 NUS Yusof Ishak House, MPR 5 Lumina

 Only 40 slots available!
