

NUS Sustainability CONNECT 2026 kicks off next week - Get ready for exciting events coming your way!

24 August 2026 || TO NUS Community

Our university's flagship sustainability festival, **NUS Sustainability CONNECT**, launches next week with two research talks and three student-led events you won't want to miss – and there's even more to come over the next month!

Get ready for a packed line-up of engaging tours, inspiring talks, and hands-on workshops that shine a spotlight on NUS' sustainability efforts and initiatives.

Prefer to join from home? We've also put together a curated online programme just for you.

Visit our [website](#) for more details and to sign up (some registration links will open later)!
