

New highlights at NUS Sustainability CONNECT 2026 festival!

31 August 2026 || TO NUS Community

Energy is building up at the NUS Sustainability CONNECT festival, with two new seminars by the NUS Sustainable Futures, held in collaboration with the Singapore Nuclear Research and Safety Institute (SNRSI), plus a live demo of its digital twin simulators!

As the festival kicks off next week, a few more registration links have just gone live — we highlight them below.

For more details and to sign up, visit our [website](#)!

The poster for the NUS Sustainability CONNECT 2026 festival, held from 1-30 September. It features a green background with a QR code in the top left corner. The main title is "NUS Sustainability CONNECT 2026" in white and orange text. Below the title, it says "1-30 September". A yellow banner with a starburst icon says "Newly added". The main event is "NUS Sustainable Futures Seminars on Nuclear Energy" in green text, with "In collaboration with SNRSI" in smaller text below it. The date "11 Sep (Fri)" is also shown. There are two main event boxes: one for "10 - 11am" titled "Small Modular Reactors (SMRs) - A New Era for Nuclear Power" by Prof Chung Keng Yeow, and another for "2 - 3pm" titled "Introduction to Reactor Safety Research in SNRSI" by Dr Darryl Foo and Dr Ethan Wong. A yellow starburst icon next to the 2-3pm event says "Live Demo of Digital Twin Simulators". Both events are marked as "Open to public" or "Open to NUS students only". A banner below these events says "Registration Now Open". At the bottom, there are four numbered event cards: 1. "14 Sep (Mon)" - Talk & Tour of NUS Black Soldier Fly Facility; 2. "23 Sep (Wed)" - Nasi Ulam Forest Garden Planting Day; 3. "23 Sep (Wed)" - Green Network Taskforce Kick-off; 4. "24 Sep (Thu)" - NERI Symposium on Membrane Technology. Each card has a corresponding image: a soldier fly, a group of people planting, hands holding a seedling, and a blue membrane structure. The bottom of the poster has a green banner with the text "Check out more events on our webpage: bit.ly/NUSSusCONNECT".

NUS Sustainability CONNECT 2026
1-30 September

11 Sep (Fri)

NUS Sustainable Futures Seminars on Nuclear Energy
In collaboration with SNRSI

10 - 11am
Small Modular Reactors (SMRs) - A New Era for Nuclear Power
SPEAKER: PROF CHUNG KENG YEOW
Open to public

2 - 3pm
Introduction to Reactor Safety Research in SNRSI
SPEAKERS: DR DARRYL FOO AND DR ETHAN WONG
Live Demo of Digital Twin Simulators
Open to NUS students only

Registration Now Open

1 **14 Sep (Mon)**
Talk & Tour of NUS Black Soldier Fly Facility
TURNING URBAN WASTE INTO VALUE

2 **23 Sep (Wed)**
Nasi Ulam Forest Garden Planting Day

3 **23 Sep (Wed)**
Green Network Taskforce Kick-off

4 **24 Sep (Thu)**
NERI Symposium on Membrane Technology
