

Welcome to the new semester - and get involved in these green events! ||

15, 19 and 24 Aug

4 Aug 2026 || TO NUS Students

Start your new semester on a green note by joining events organised by environmental student groups or take on an external sustainability challenge. There's no lack of green action to jump into!

15 Aug (Sat)

Gogoro Electric Motorcycle Showroom Visit with NUS Climate Analytics & Technology (CAT) Club

Learn about electric motorcycles, battery swapping technology, and look forward to a Live GoStation demo, hands-on experience and a possible test ride opportunity for licensed riders! This event is organised by the [NUS CAT club](#), which aims to build students' understanding of the fundamental principles of sustainability data and green solutions.

10am-12pm

Gogoro C&C Showroom 330 Ubi Rd 3

Register [here](#)

19 Aug (Wed)

GenZero Office Visit with NUS Sustainable Finance Club

Tour GenZero, a Temasek-owned global investment platform company which drives global decarbonisation, and discover how it aims to deliver positive climate impact alongside long-term sustainable financial returns. Plus, enjoy networking opportunities! The [NUS Sustainable Finance Club](#) brings together interdisciplinary research, industry insights and investing ideas to create positive financial and environmental impact.

Six Battery Road 26-01/02

3pm-6pm

Register [here](#)

24 Aug (Mon)

2026 Sustainable Cities Challenge (Tertiary Edition)

Work in teams of 2 to 4 and join this year's Challenge, themed Designing Circular Cities. Choose from one of the two challenge categories, Sustainable Fashion or Responsible Food Production, and develop your unique proposal! The challenge is an initiative by Crea8 Sustainability, the community outreach program of PacificLight energy company.
