

## More to explore as NUS Sustainability CONNECT 2026 festival enters its third week!

11 September 2026 || TO NUS Community

The NUS Sustainability CONNECT festival is heading into its third week next week. Thank you for your overwhelming support so far! While some events are already fully booked, there are still other great sessions with seats available. Take a look at our recommendations below.

We've also added brand new events, with registration links now open!

Check out more events on our website!
