

Discover local wildlife and unpack climate science: Join two student-led events coming up! || 10, 14 Oct

5 Oct 2026 || TO NUS Students

Explore sustainability in action through two complementary events!
Start this Saturday with a guided nature walk through Kent Ridge Park to discover the beauty of our local biodiversity. Then, dive into the big picture next Wednesday at the Climate Fresk workshop, where complex climate data from the Intergovernmental Panel on Climate Change (IPCC) reports will be turned into an engaging card game.

Sign up details below!

Kent Ridge Park Guided Nature Walk

By [NUS BES Drongos](#)
